1. Installation

After you have downloaded and installed **Conforderlater**, the module will appear in your module list.

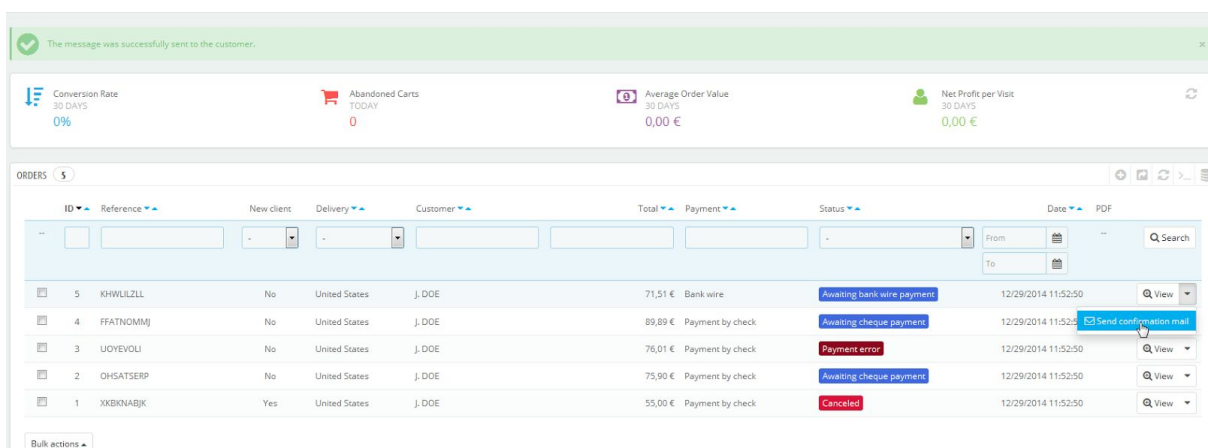

2. Functions

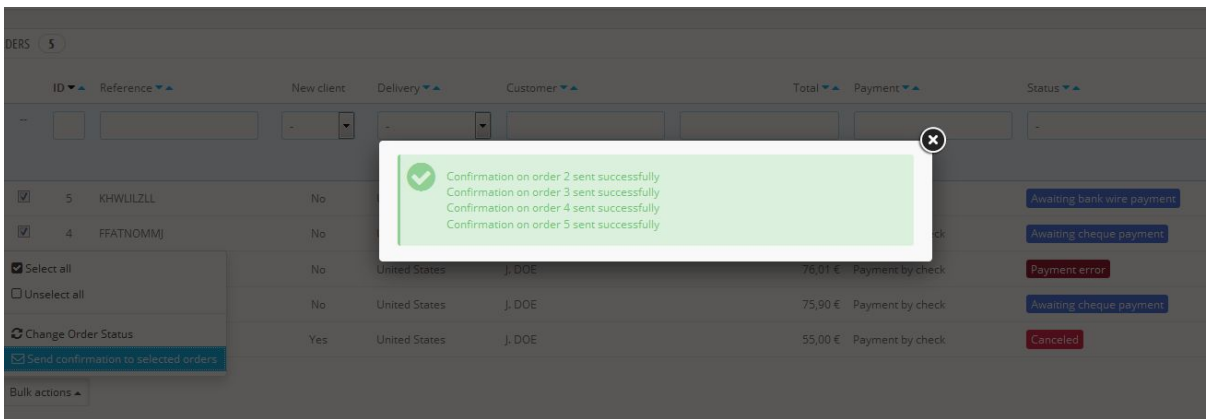

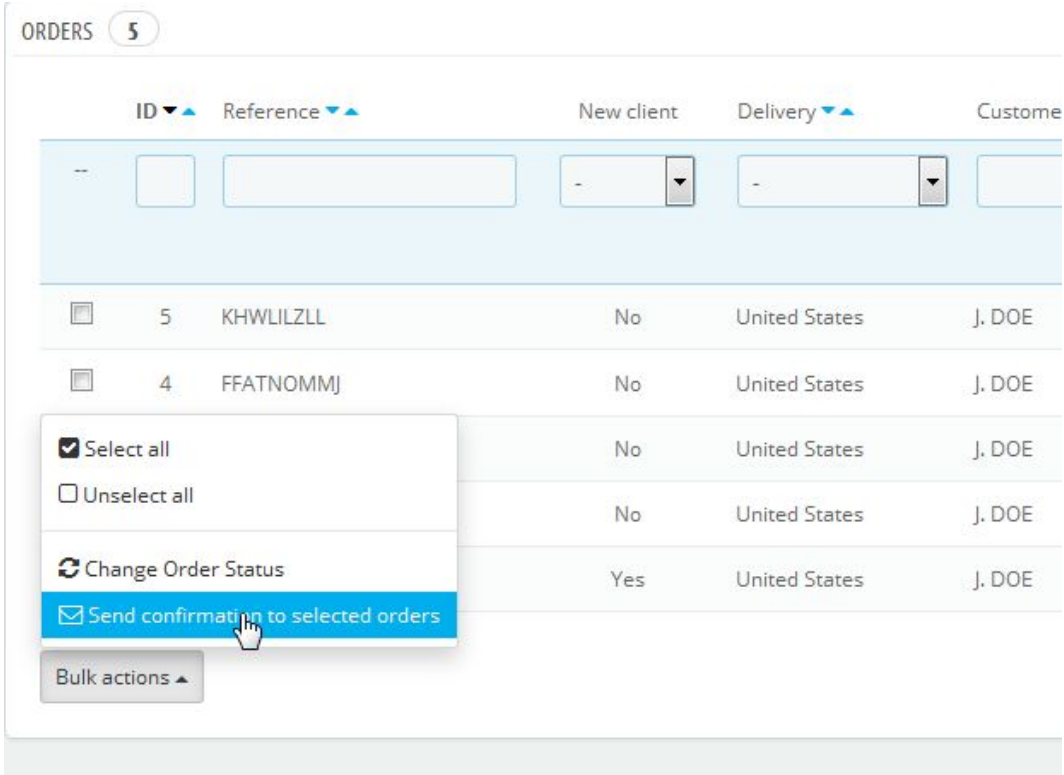

To use the module, go to **Orders**.

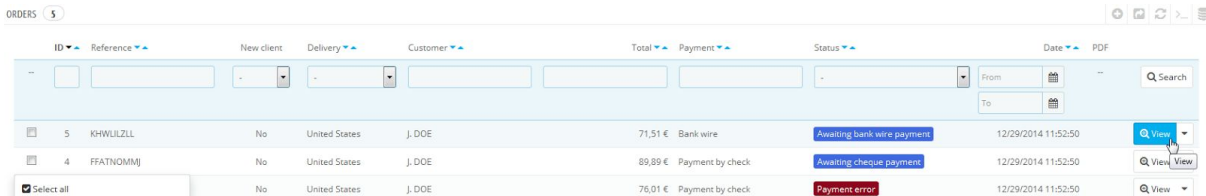

Now you see the order list, where you can send manual confirmation mails. Simply click on the arrow at "view".

The following screenshot shows how you can edit several orders. If you want to send a confirmation mail to more than one customer, go to "bulk actions" and click on the **Send confirmation to selected orders** button.

You can check the date of your confirmation anytime:
