

Contact Captcha

1. Installation

After the module is uploaded and installed, it appears in your modules list

2. Functions

Put the line into the contact-form.tpl in this way:

```
109 <input class="form-control grey" type="text" name="id_order" value="{customerThread.id_order|intval}" />
110 </input>
111 <input class="form-control grey" type="text" name="id_order" value="{customerThread.id_order|intval}" />
112 </input>
113 </div>
114 </if>
115 <if isset($is_logged) && $is_logged>
116 <div class="form-group selector1">
117 <label class="invisible">[1 s='Product']</label>
118 <if !isset($customerThread.id_product)>
119 <foreach from=$orderedProductList key=id_order item=product>
120 <select name="id_product" id="{id_order}_order_product" value="{customerThread.id_product|intval}">
121 </if><if !$smarty.foreach.products.first> disabled="disabled"</if>
122 <option value="0">[1 s='--- Choose ---']</option>
123 <foreach from=$products item=product>
124 <option value="{product.value|intval}">{product.value}
125 </foreach>
126 </select>
127 </foreach>
128 <elseif $customerThread.id_product > 0>
129 <input type="hidden" name="id_product" id="id_product" value="{customerThread.id_product|intval}" />
130 </if>
131 </div>
132 </if>
133 <if $fileupload == 1>
134 <p class="form-group">
135 <label for="fileUpload">[1 s='Attach File']</label>
136 <input type="hidden" name="MAX_FILE_SIZE" value="{if isset($max_upload_size) $max_upload_size}</if>" />
137 <input type="file" name="fileUpload" id="fileUpload" class="form-control" />
138 </p>
139 </if>
140 <div class="form-group">
141 <div class="col-xs-12 col-md-9">
142 <div class="form-group">
143 <label for="message">[1 s='Message']</label>
144 <textarea class="form-control" id="message" name="message">{if isset($customerThread.message) $customerThread.message}</div>
145 </div>
146 </div>
147 </div>
148 </div>
149 <div class="submit">
150 <button type="submit" name="submitMessage" id="submitMessage" class="button button-primary">[1 s='Submit']</button>
```

You're done, enjoy!
